10. [REDACTED] LIAISON Elliot Maxwell, Senate

Select Committee on Intelligence staff, called concerning the article in today's Washington Post on the statement the Director had made about the Hoover memorandum. He said the Director's statement was not accurate in that a memorandum did exist and a copy was in the Warren Commission archives. He wanted to be helpful and said he would make available to us any information the Committee had on the subject. I told Maxwell that I thought a garble had occurred some place along the line and the point that the Director was trying to make was that he was not aware of the existence of any memorandum which said what press accounts reported was said in the memorandum. Maxwell agreed with this latter statement and [REDACTED] said if they could be of any further help to let him know. I told Maxwell that we were aware of the Committee's concern because [REDACTED] had received a call from Mike Madigan, also of the Committee staff, and I said that Tony Lapham, General Counsel, was checking into the matter.

11. [REDACTED] LIAISON Called Bill Miller, Staff

Director, Senate Select Committee on Intelligence, and asked him if Elliot Maxwell, also of the Committee staff, was still going to speak to the Carnegie Endowment for International Peace on Friday, 19 November. Miller said that he was and the Committee had no problem with it. I said that Mr. Knoche had received an invitation to attend but I would be going in his place.

I alerted Miller to the fact that the President had signed a Presidential finding [REDACTED] and we were prepared to brief the Committee when convenient. It was agreed that [REDACTED] would come up at 3:00 and give him the background on the finding.

I also discussed with Miller the conversation I had with Elliot Maxwell concerning the Director's statement in the Washington Post today about the Hoover memorandum. Miller said he was going to ask his people to prepare a fact sheet on the matter.

13. (Unclassified - RJK) LIAISON Called Mike Roma, in Representative Donald Riegle's (D., Mich.) office, to let him know that we had secured the five Agency publications that he had requested. He was not in, so I left word with his secretary indicating that we would mail them to him first thing in the morning.

14. (Unclassified - RJK) FBIS Received a call from Singleton McAllister, in the office of Representative Parren Mitchell (D., Md.). She requested the two FBIS Daily Reports which include information on Africa. I told her that I would see that she got them and that she should begin to receive the subscription within ten days. FBIS Liaison was advised.

15. (Unclassified - SKM) CONSTITUENT Took a call from Flo Thoben Receptionist, Senate Select Committee on Intelligence, who said they had gotten a request from Senator Dick Clark's (D., Iowa) office for some general background information on the Agency to respond to a constituent who was doing a high school project on CIA. [redacted] dropped off the materials to Ms. Thoben.

16. (Unclassified - DFM) LIAISON Met with Martin Gold, Senator Mark Hatfield's (R., Oreg.) designee on the Senate Select Committee on Intelligence. Gold said Senator Hatfield had accepted Gold's suggestion that the Senator spend a day at CIA and a day at NSA for a thorough orientation. Gold believes the Senator will want to spend either 6 or 10 December at Headquarters, and he will call as soon as he has a firm date. I strongly suggested to Gold that the Senator visit NPIC on another day and to allow three to four hours for such a tour.

17. (Internal Use Only - DFM) LIAISON Met with Elliot Maxwell, Senator Walter Huddleston's designee on the Senate Select Committee on Intelligence. As I told Bill Miller, Staff Director, last week, I told Maxwell that the briefing on how we viewed Executive Order 11905 mechanisms at this point had been prepared and that the Director was ready to give it to the Committee at its convenience. George Cary had offered Senator Huddleston such a briefing, and he agreed that it would be a good idea. Maxwell said. Senator Huddleston was interested in extensive briefings at the Agency and would try to go along with Senator Mark Hatfield (R., Oreg.). Maxwell also said he wanted to review once again this week the notebook DDO prepared on anti-terrorist guidelines.

9. (Unclassified - DFM) LIAISON Talked to Mike Madigan, Senate Select Committee on Intelligence staff, regarding the Committee's investigation of the allegations about former Agency employee [redacted] in 25X1 Playboy magazine. Madigan said the Committee would have to take up the inquiry again next week, but Madigan did not anticipate that the Committee would formally ask [redacted] to testify.

10. (Internal Use Only - DFM) LIAISON In the absence of Bill Miller, Staff Director, Senate Select Committee on Intelligence, discussed with Martha MacDonald, also of the Select Committee staff, two mistakes in the transcript of the 23 September 1976 Agency briefing on Terrorism. I also asked MacDonald to inform Miller that Ted Ralston, also of the Committee staff, had asked to tour NPIC and that if this trip had Miller's blessing, we would like to include several staffers. I told MacDonald I would call Miller on this on Monday.

11. (Unclassified - DFM) LIAISON Met with Anne Karalekas, Senate Select Committee on Intelligence staff, who showed me the d 25X1 letter she had prepared for Bill Miller's, Staff Director, signature requesting access to DDO reporting [redacted]

[redacted] Karalekas said she expected a letter to be delivered to us by 15 November and that she would need rapid access to the material.
